

AVENEL COMMUNITY ASSOCIATION
2017 Pool Season & Member Pool Passes

Dear Avenel Homeowner,

Summer is right around the corner and with it comes pool season! This year, the pool will open on Saturday, May 27, 2017. The pool will be open daily from 10:00 a.m. to 8:00 p.m.

If you were a pool member last year, you should already have a picture ID pool pass and three (3) seasonal guest passes for your household. These are permanent passes and should be kept from year to year. You will be required to present your pool pass in order to access the Avenel Swim and Tennis Facilities (ASTF). The use of passes will ensure that only ASTF members and their guests will use the facilities, and the pass application will provide important safety information to be kept on file, including emergency contacts and the ages of children.

If you still have your picture ID pool passes from last summer...

As long as you are a member in good standing, your passes will be activated and valid for the upcoming season.

If you still have your child's picture ID pool pass, but his/her appearance has changed considerably...

Bring your child and your child's pool pass to the ACA Office and have a new updated pool pass made at no charge.

If you had picture ID pool passes and have lost or misplaced your passes...

As long as you are a member in good standing, you may stop by the ACA Office during regular pool pass processing hours and bring a photo ID along with a check made payable to the "ACA" for \$15 per replacement pass to be re-issued to you at that time.

If you are new to the community or you have never applied for a picture ID pool pass previously...

As long as you are a member in good standing, bring the completed enclosed registration form and a photo ID along with your family members who need pool passes to have your pictures taken during the regular pool pass processing hours listed below to receive your pool passes. All adult residents of the household will be required to provide proof of residency in the form of a driver's license or photo ID or other document that confirm residency.

Note: Any child must have a parent/guardian living at the Avenel address to receive a pool pass. Pool passes will not be issued without proof of residency.

If you are a tenant...

Renters will be required to bring in an executed copy of their lease, including an agreement that assigns the right to use the ASTF to the tenant from the owner/landlord. The assignment of use agreement is available at www.Avenel.net or at the ACA Office.

In accordance with the Association's Governing Documents, the Association will suspend the right of any resident/member and/or family member who is not in good standing, defined as being thirty (30) days or more past due on their assessments and/or in violation of any community rule or regulation. Access will be reinstated when an account is reinstated to good standing status. If a member's Association dues becomes more than thirty (30) days past due during the pool season, or if sanctions relating to violations are issued, all passes for that household will be deactivated until the Association has been informed by the resident/member that their account has been restored to good standing and has been confirmed by the Association, at which time passes will be reactivated.

We wish all Avenel residents a safe and happy upcoming summer seasons at Avenel Swim and Tennis. If you have any questions, please contact the ACA Office at (301) 299-5916 or customerservice@avenel.net.
